Ref:- G.O.No.Ms., 2467, P.H., dated 11-7-1939.

In G.O.No.Ms. 2467 P.H., dated 11-7-1939, Government had approved the proposals of the District Board to transfer the subsidised Rural Dispensary from Naravi to Venur. The Rural Dispensary at Naravi was an Allopathic one but the District Board in its resolution No.40 dated 14-8-1939 (copy enclosed) has resolved to open an Ayurvedic dispensary at Venur as the inhabitants of Venoor and its surrounding villages have requested for an Ayurvedic Dispensary.

2. I therefore request that the Government may be pleased to sanction the opening of an Ayurvedic -- Dispensary at Venur.

Sir,

Ref:-Government Memo. No. 35406-1 D.2 P.H.,

I have the honour to enclose herewith copies of letters R.No.551-L.H./37 dated 21-9-1939 and 5-10-39 of the District Medical Officer, South Kanara on the subject and to state that I agree with him.

P.T.O.

Copy of letter of the District Medical Officer, South Kanara, to the Personal Assistant to the Surgeon-General with the Govt. of Madras, R.No.551-LH/37 dated 21-9-1939.

I have the honour to state that purely from a professional point of view, I should consider that it would be better to have the new rural dispensary to be opened at Venur as an allopathic dispensary.

But if the District Board is satisfied that the inhabitants of Venur and its surrounding villages are clamouring for an Ayurvedic dispensary, I have no objection.

Copy of letter of the District Medical Officer, South Kanara, to the Personal Assistant to the Surgeon-General with the Govt. of Madras, R.No. 551-LH/37 dated 5-10-1939.

I have the honour to state that I personally inspected the place to study the local conditions and also the views of the people. From what I could gather, I find that it is immaterial to them whether the dispensary is ayurvedic or allopathic so long as the dispensary is established in the place. The last point seems to be the chief consideration with them.
